EDUCATION

2021 - 2023

+2 Science(Computer)

Chhorepatan Secondary School - Pokhara

GPA: result aren't published yet but 3+gpa for sure

Following S.E.E., I decided to take computer science and +2 science as electives at Chhorepatan Secondary School a government institution in Nepal. Although the results of the 12th grade exams have not yet been released, I believe I will receive a grade point average that is higher than 3 in that class.

- Dissertation in Computer Science
- Member of Smart House project in Science Exhibition Program(2023) which was 1st runner up in that programme
- Winner of +2 level Web Development programme
- +2 Graduate (grade 12th result yet to be published)

2018 - 2021

Primary level (grade 8 - 10)

Chhorepatan Secondary School - Pokhara

GPA: 3.65 (S.E.E)

When I was in grade eight(2018), I enrolled at Shree Chhorepatan School, a government institution in Nepal. While I was a student here, I received an A+ in both my 10th SEE and my eighth BLE.

- B.L.E of grade 8 with A+ grade
- S.E.E of grade 8 with A+ grade

2008 - 2018

Primary level (Nursery - 7)

Shree Shishu Niketan Bording School - Syangja
